## EstateGuidance® features

Create last will and testament, living will, health care power of attorney, financial power of attorney, and/or final arrangement documents for, at most, a minor additional fee.

### Last will and testament

\$14.99

A last will and testament (“will”) is the cornerstone of an estate plan. A will ensures that your assets are distributed in accordance with your wishes after your death. A will also allows you to name an executor and a guardian to take care of your children if they are minors. Printing and mailing is available for an additional \$9.99.

### Living will and health care power of attorney

\$14.99

A living will is an advanced directive that documents your wishes regarding medical treatment and nutrition in the event of terminal illness, coma or vegetative state. Printing and mailing of a living will is available for an additional \$9.99.

A health care power of attorney, included at no additional cost with a living will, allows you to give a trusted family member or friend the power to make medical decisions on your behalf should you become unable to make such decisions.

### Financial power of attorney

No additional cost

A financial power of attorney form allows you, the principal, to name someone else, the agent, to make financial decisions for you.

### Final arrangements

\$9.99

This document is intended to give your surviving family members, friends and associates guidance regarding your last wishes and to ensure that they can properly honor your memory. Final arrangements allow you to specify your burial or cremation preferences and personalize your obituary, funeral or memorial service. It leads you through the process by asking thoughtful questions and providing detailed educational resources.

We know that plans may change as you progress through different stages of your life. Be assured that EstateGuidance® will be with you every step of the way. Once you create these documents online, you can make unlimited free revisions, as needed, to keep them up-to-date.
