TWO WAYS TO PLAY

GAME 1: Play Bingo! Fill out the tasks on the orange Bingo Bonanza card. Get five squares in a row? You're done! Come to the Ed Honea Marana Municipal Complex to collect your prize. Lobby hours: (Mon-Fri / 8am - 5pm)

GAME 2: Bonus Play (optional) - Elevate your game by matching your completed orange square coordinates with the green Construction Map. Lead ALL the construction workers to the Great Tangerine Squeeze at the center! Completing the bonus play will earn players an additional prize. Prizes available while supplies last.

Stay safe, have fun, and only play once you're safely parked or at home.

Pro Tip for Bonus Play: Time for crafts! When you finish a task, find the matching coordinate on the Construction Map, cut out the green square, and glue it over the corresponding orange square. Start by placing the center square over the "Free Square." Every piece helps the crew reach the center!
