
 **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit azblue.com/member. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	<u>In-network</u> : \$500 /individual and \$1,000 /family per plan year <u>Out-of-network</u> : \$1,000 /individual and \$2,000 /family per plan year	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of deductible expenses paid by all family members meets the overall family <u>deductible</u> . Unless a <u>copay</u> , fee, or other percent is shown, the <u>coinsurance</u> percent of the <u>allowed amount</u> that you pay for most services is 10% <u>in-network</u> and 40% <u>out-of-network</u> . Claims applied to the <u>in-network deductible</u> will also apply to the <u>out-of-network deductible</u> and claims applied to the <u>out-of-network deductible</u> will also apply to the <u>in-network deductible</u> .
Are there services covered before you meet your deductible?	Yes. Certain <u>in-network preventive services</u> ; <u>in-network primary care</u> and <u>specialist visits</u> ; <u>prescription drugs</u> ; <u>emergency room care</u> ; <u>in-network urgent care visits</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	<u>In-network</u> : \$3,000 /individual and \$6,000 /family per plan year <u>Out-of-network</u> : \$6,000 /individual and \$12,000 /family per plan year	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. Claims applied to the <u>in-network out-of-pocket limit</u> will also apply to the <u>out-of-network out-of-pocket limit</u> and claims applied to the <u>out-of-network out-of-pocket limit</u> will also apply to the <u>in-network out-of-pocket limit</u> .
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>out-of-network prior authorization charges</u> , <u>balance-bills</u> , and costs for health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider ?	Yes. See www.azblue.com or call 1-855-818-0237 for a list of in-network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
