

# **Marana Police Department Extra-Duty Police Services Agreement**

## **I. Parties**

This is an agreement between the Town of Marana Police Department, hereafter referred to as "the Department" and \_\_\_\_\_, hereafter referred to as "the Contractor". The Department and the Contractor are sometimes collectively referred to as the "Parties," each of which is sometimes individually referred to as a "Party."

## **II. Purpose**

The purpose of this agreement is to authorize the Contractor to employ Marana police officers to perform police services such as traffic and crowd control and security, protection of life and property and general law enforcement for the sole purpose of preserving the public peace and protecting the lives and property of the public in general. Any request for police services that serves only the Contractor's interests rather than interests of the community at large will be denied.

## **III. Term**

This agreement shall be in effect for a term not to exceed six months, commencing on the date and time both Parties sign the agreement and ending at 23:59 hours on December 31, 2025 except that any extra-duty police services commenced prior to the expiration time, but concluded afterward, shall be subject to the terms of this agreement.

## **IV. Scope of Services**

To the extent that Town of Marana police officers voluntarily indicate their willingness to participate, the Police Chief will authorize Marana Police Department officers to perform extra-duty services for the Contractor. In the event that the requisite number of Marana police officers fails to volunteer to perform an extra-duty assignment, the Department will use its best efforts to promptly notify the Contractor. It is understood and agreed that the Police Chief or designee, in his or her sole discretion, will determine whether a specific officer will be available at any time for extra-duty. It is further agreed that the Police Chief may determine at any time that all Marana police officers are needed to perform regular police duty, because of a public safety emergency, and cannot be permitted to perform extra-duty until the Police Chief determines that the emergency has passed, this agreement notwithstanding. It is also understood that another Law Enforcement agency may be contacted to assist in fulfilling an Extra-Duty Request if the Marana Police Department is unable to obtain sufficient officers who voluntarily indicate their willingness to participate.

## **V. Third Party Rights**

This agreement is intended to be solely between the Parties. No part of this agreement shall be construed to add, supplement, amend, abridge, or repeal existing rights, benefits, or privilege of any third parties, including but not limited to employees of either party.

**XII. Minimum time of employment**

All extra-duty police services provided by the Department pursuant to this agreement shall be billed at a minimum rate of 4 hours per officer, regardless of the actual duration of the extra-duty assignment.
